Look at them now
Look at them do
Look they found the dove
Their vastness too
Whirlpools whirl
And dragnets drag

Love me do oh love me do
Love me find the dove
This vastness sings a pretty song
This vastness must be love
Give me three the gift of one
Whose science can't describe
Whose eyes are peeled like atom bombs
Their spirit is the prize

The sufi three winged flight they soar
All sacral join all hearts
A cavern gasps a dragon screams
The jinn men smash the ark
Four guides float four dots of God
Realistic haqq is theirs
Mystic men whose eyes are sore
From trials of bigger lairs

Look at them now
Look at them do
Look they found the dove
Their triad song too

A grey surprise
Swirls below
They could be happy too
The ides of march
Whirlpools whirl
And dragnets drag
Whirlpools whirl
And dragnets drag

Whirlpools whirl
Dragnets drag
Hell is not the fire

Hell is your belief
In yourself as the higher

Four guides afloat
Four dots of God
Look they found the dove
Their triad song too

Whirlpools whirl
Dragnets drag
Hell is not the fire
Hell is your belief
In yourself as the higher
