Eh
Eh
Eh

Honey butterfly
Blue ring around my eye
Celeste and fient
Turn doodle into paint

Give peace to each thing you see
Peace to each thing you see

Oo-hoo
Uh-hoo
Uh-hoo

Remain no mark
Come running, no drown
In the world and not if it
No break of a promise

Give peace to each thing you see
Peace to each thing you see

You're lost, and he's found
You might think that he's proud
With one look at those hands
You are cleaner than cloud

Give peace to each thing you see
Give peace to each thing you see
Give peace to each thing you see
Give peace to each thing you see
Peace to each thing you see
Give peace to each thing you see
