The point is up.  
Touch, elbows touch!  
Tell them to look away!  
Find security and say:  
Look at the clues,  
Clear as cloud.  
Drop our love for love.

Slow down, slow down, slow down  
Slow down, slow down, slow down

Why let it go  
To the deeper down?  
Well, we could look and pray.  
Ah, don't run, don't drown.  
Look at the clues,  
Clear as cloud.  
Drop our love for love.

Slow down, slow down, slow down  
Slow down, slow down, slow down  
[x3]
