Thing to Remember when writing figures of speech and sound

The Power of poetry comes from the ability to defy logic

Defy Logic Often

Use a metaphor and tell us that your lover is the sky.

Tell us that your lover is the sky.

When you do that
We won't believe you,
We won't believe you
Because saying so makes no sense
But we'll see a meaning.

We'll see a meaning
The other thing is the ability to be remembered.

Love Anything.

Love Anything

Wasted
I cut myself down
Cut myself down
Wasted
Now Breaking Free
Breaking Free
It's no longer me

Understand where you came from

Floating
I'm facing me down
Prostrate to the ground

Understand

Prostrate to the ground
Mystery
Rain down on my life
down on my life

Maybe there is nothing to say
Breathing
The future is gone
The strain of the past

Sometimes nothing often means;
The beauty of the human experience

Healing
Rain down on my life
Down on my life
Wasted
Now breaking free
Breaking free
It's no longer me

Love Anything

Use a metaphor and tell us that your lover is the sky
Love Anything.

Love Anything

Love Anything

Use a metaphor and tell us that your lover is the sky

Sometimes

Sometimes nothing often means
the beauty of the human experience,

These things are to be remembered

To be remembered
