Written by Peter Green.

Now the cupboards are empty

But baby you don't care

This way that I'm living

Now that you're not here

I'm walkin' the road

But there's a long long way to go

My socks need mending

They're so full of holes

Take a look at my trousers

And man, how it shows

I'm walkin' the road

But there's a long long way to go

I sit at the table

Since I got the news

I'm so full of cigarettes

And I'm drunk with the blues

I'm walkin' the road

But there's a long long way to go

I gave you my loving

I gave you my car

Now I gotta keep moving

To the next backstreet bar

I'm walkin' the road

But there's a long long way to go
