Many landscapes in your eyes  
Don't say nothing  
And don't need to try  
So you're going away... away

Many landscapes in your eyes  
Don't say nothing  
And don't even try  
So you're going away  
It's our karma for the day  
Our karma for the day

You need to move  
You're feeling blue  
You need to move  
You're feeling blue

Many landscapes in your eyes  
Don't say nothing  
And don't even try  
So you're going away  
It's our karma for the day  
Our karma for the day

You need to move  
You're feeling blue  
You need to move

You need to move,  
You're feeling blue  
I'm so confused

And I don't know nothing anymore...  
And I don't know nothing anymore...  
And I don't know nothing anymore...  
And I don't know nothing anymore...

You need to move,  
You're feeling blue  
I'm so confused

You go away,  
I'm gonna stay  
...It's our karma for the day  
...For the day  
Our karma for the day  
For the day
