"Medicine"

Visit "[Medicine](#)" on MotoLyrics.com

I wanna praise you
I wanna raise my hands to you
I wanna swear things upon you
I wanna confess to you

I want you to be my heaven
I want you to be my heaven

I want you to be my heaven
I want you to be my heaven
I want you to be my heaven

I wanna feel safe beneath your wings
I wanna cry out to you
I wanna feel blessed by your hands
Your forgiveness too

I want to you to be my heaven
I want to you to be my heaven

I want to you to be my heaven
I want to you to be my heaven
I want to you to be my heaven

'Cause... I feel so faithless
'Cause... I feel so faithless
'Cause... I feel so faithless

I wanna praise you
I wanna raise my hands to you
I wanna swear things upon you
I wanna confess to you

...I feel so faithless
...I feel so faithless
'Cause...
