(Get on up)

[VERSE 1]

Yo

From the intro

I flow

3 in a row

Buildin like a Lego

Stacks upon stacks

It attacks the wax

Scrub it like Ajax

Relievin as a X-Lax

The night cap of rap

Here to make another hit

To undercover, smudder

Word to mother

Pump it for the playground

World renowned

Pete Rock & C.L. Smooth is in town

I design a logical line

A mastermind, so recline

And listen to what's mine

I'm untouchable, lovable

Some try to imitate, but you can't make a double of

Me, the capital C, capital L, capital S

M-double o-t-h - yes

A pro

So you know

You gotta go with the flow

[VERSE 2]

Smooth as ya ever gonna get to hear

Crisp and clear

So step to the rear

And make room for daddy

Bigger than a Caddy

To move a crowd? Hm, gladly

It's all done with ease

Past MC's

And all they feel is a breeze

The technician

With the first division

Like a surgical incision
Deeper envision
My flow the naked eye can't stare
But only hear
Another poet like Shakespeare
C.L. the swinger, ringer, clinger
And oh yes, you know, another hum dinger
Wreckin any studio, love to make cash
So kick it like judo
Big like a sumo
Rhymes like a pro
So you know
Like a flute I blow
And go with the flow

[VERSE 3]

I rock the microphone
But you probably know to hype the show
I gotta go with the flow
And take it to another degree
That many people wanna see
But above elementary
I made lyrical
Any kind of material
More than minimal
For any individual
That I send
To reach the end
And just like Clark Gable, it's 'gone with the wind'
And take flight
Through the night
Like a meteor, right insight
To shine like a bright light
You gotta tip-toe
From the get-go
Live in stereo, rhymes gotta flip, so
Pete Rock can move your butt
And cut the strut
(*scratching*) Yeah what?
Just like a pro
So you know
I'm ready and set
To go with the flow
