Oh Eve,... where is Adam - now you're kicked out of the garden?

Oh Eve,... where is Adam - now you're kicked out of the garden?

... been wanderin' from shore to shore,... now you find there's no more.

Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!

Don't you wish love - only love - could save this world from disaster?

Lo-ove... - only love - could save this world from disaster?

Don't you wish love could end the confusion,... or is it just one more illusion?

Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!

Well, if you want to have great love,... you've got to have great anger.

I-if you want to have great love,... you've got to have great anger!

When I see innocent folks shot down,... you just want me 'shake my head and frown.

Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!

If you want to hit the target square,... you better not have blind anger.

I-if you want to hit the target square,... you better not have blind anger!

Or else it'll be one more time... the correction creates another crime!

Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!

Well, if music could only bring peace,... I'd only be a musician.

If music... could only bring peace,... I'd only be a musician!

If songs could do more than dull the pain,... if melodies could only break these chains!

Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!

Oh Eve... Eve, go tell Adam,... We've got to build a

garden.  
Oh E-----ve, go tell Adam,... We' got to build a new  
garden.  
We' got to get a workin' on a buildin'... of a decent home  
for all o' God's children!  
Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!

Oh Eve,... you tell Adam,... next time he asks you.  
Yes Eve-Eve,... you tell Adam,... next time he asks you.  
He'll say baby it's cold outside,... What's the password  
to come inside?  
You say...  
Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!  
Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!  
Four thousand languages in this world,... means the  
same thing to every boy and girl...  
Oh-oh Pacem in Teris, Mir, Shanti, Salaam, Heiwa!
