Did you catch your dreams
Did you end a fight?
Did you change your mind?
Did you light some lights?
Did you find some peace?
Did you live your life?
Did you make some love?
And did you pay the price?
Did you waste your time?
Did you break the rules?
Did you check the list
And did you play the fool?

Chorus:

Let it go, let it go
It goes on and on, don't you know?
After all time will show
So let it go, let it go

Did you use your change?
Did you do your best?
Did you find a way?
How to change the world?
Did you raise the bet
Did you ask for more?
Did you love someone
Like no one did before?

Chorus:

Let it go, let it go
It goes on and on, don't you know?
After all time will show
So let it go, let it go

Let let let it go

Let it go, let it go
don't you know?
The time will show
So let it go, let it go

Did you catch your dreams
Did you end a fight?
Did you change your mind?
Did you light some lights?

Chorus:

Let it go, let it go
It goes on and on, don't you know?
After all time will show
So let it go, let it go
X 2

I wanna let it go
Cause time will show, time will show
X 2

Let it go, let it go
