Marvin, Marvin, he was a friend of mi-ine
And he could sing a song, his heart in every li-ine
Marvin, Marvin, yeah-heah-eah, sang of the joy and
pai-ain
He opened up our minds, and I still can hear him say-
ay
Ahh-hah, talk to me, so you can see, what's goin' o-on
Say you will, sing your so-ons for ever more, ever
more

Gonna be some sweet sou-ounds comin' down on the
nightshift
I bet you're singin' prou-ou-oud, I bet you'll pull a crowd
Gonna be a long ni-ight, it's gonna be a-a-alri-ight on
the nightshift
You found another home, I know you're not alone on
the nightshift
Ooh, woh-oh-woh-oh, you found another home
I know you're not alo-one, on the nightshift

Jackie, Jackie, yeah-eah-eah, hey whatcha doin' now-
ow-ow?
It seems like yesterday, when we were workin' ou-out
Jackie, Jackie, yay-ay-ay, you set the world on fire (fire)
You came and gifted us, your love, it lifted u-us, higher
and higher
Keep it up, and we'll be there-ere, at your si-ide
Say you will, sing your so-ons for ever more, ever
more

Gonna be a sweet sound comin' down on the nightshift
Hmm-mm-mm, I bet you're singin' proud, I bet you'll
pull a crowd
Gonna be a lo-o-o-o-ong ni-i-i-ight, on the nightshift
Wooh-oh-oh, oh-oh, You found another home
I know you're not alo-one on the nightshift

Gonna be some sweet sou-ou-ounds comin' down on
the nightshift
I bet you're singin' prou-oud, I bet you'd pull a crowd
Gonna be a lo-o-o-o-ong ni-i-i-i-ight on the nightshift

Woh-oh-oh, You found another home
I know you're not alo-one on the nightshift

Gonna hear your sweet voi-oice, (soulful noise) on the
nightshift (on the nightshift)
Ooh-mm-mm, We'll remember you, your sounds are
comin
