It must have been co-old there i-i-in my shadow  
To never have sunlight o-o-on your face  
You've been content to let me shine  
You always walked a step behind

I was the o-one with a-a-all the glory  
While you were the one with a-a-all the strength  
Only a face without a name  
I never once heard you complain

Did you ever know that you're my-y her-ero-o-o  
And everything I'd like to be-ee  
I can fly higher-er than an ea-eagl-le  
But you are the wi-ind beneath my-y wings

It might have appear-eared to go-o-o unnoticed  
But I've got it all here i-i-in my heart  
I want you to know I know the truth  
I would be nothing without you-ou

Did you ever know that you're my her-ero.  
And everything I'd like to be  
I can fly higher-er than an ea-ea-eagl-le  
But you are the wi-ind beneath my-y wings  
You are the wind beneath my wi-ings
