Chorus

You got a fast car
I want a ticket to anywhere
Maybe we make a deal
Maybe together we can get somewhere (x2)

You got a fast car
I want a ticket to anywhere
Maybe we make a deal
Maybe together we can get somewhere
Anyplace is better
Starting from zero got nothing to lose
Maybe we'll make something
Me myself I got nothing to prove

But is it fast enough so we can fly away? (x2)

You got a fast car
I want a ticket to anywhere
Maybe we make a deal
Maybe together we can get somewhere
Anyplace is better
Starting from zero got nothing to lose
Maybe we'll make something
Me myself I got nothing to prove

You got a fast car
But is it fast enough so we can fly away
We gotta make a decision
We leave tonight or live and die this way

So remember we we're driving driving in your car
The speed so fast I felt like I was drunk
City lights lay out before us
And your arm felt nice wrapped 'round my shoulder
And I had a feeling that I belonged
And I had a feeling I could be someone, be someone,
be someone

Maybe together we could ride away

You got a fast car

I want a ticket to anywhere
Maybe we make a deal
Maybe together we can get somewhere

You got a fast car
I want a ticket to anywhere
Maybe we make a deal
Maybe together fly away

Maybe together fly away(x2)
