(this song is a combination of spoken segments with vocal sound effects and singing. this will be the basic lyric only as the performance is far more than can be easily written down).

Chorus:

Take me for a ride in your car-car  
Take me for a ride in your car-car  
Take me for a ride, take me for a ride,  
Take me for a ride in your car-car

(spoken and sound effects segment)

Take me for a ride in your mac truck  
Take me for a ride in your truck, mack  
Take me for a ride, take me for a ride,  
Take me for a ride in your mac truck, mack

(spoken and sound effects segment)

(chorus)

(spoken segment, with sound effects, then mary sings...)

Take me for a ride in your car-car  
Take me for a ride in your car-car  
Take me for a ride, take me for a ride,  
Take me for a ride in your 3.2 liter ferrari  
With torsion bar suspension  
And those ported venturi carburetors!

(another spoken and sound effects segment to the end of the song)
