Don't go down to the quarry in the middle of the night
'Cause you'll never come back, you'll never be right
We lost Maggie there just last spring
And Big Ben Johnson, he couldn't do a thing

Big Ben Johnson made a bet with Mad Man Mike
That he could cross the quarry in the middle of the night
Now he got there, 'bout halfway across
He started sinking down in the red clay moss

Nearby standin' on the tracks where the trains used to come
Was Mad Man Mike, beatin' on his drum
Laughin' out loud, eyes rollin' in his head
Standin' on the tracks in the Lucifer's stead

With a long red cape and fire in his eyes
He lifted up his hands to the midnight skies
And the thunder start to roll and the lightenin' flashed wild
And Big Ben Johnson start a cryin' like a child

Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Down, down, down, down

Then the earth gave a shudder, the quarry start to split
Screamin' down went Johnson into the fiery pit
With a laugh that shivered the center of the bone
And Mad Man Mike just standin' there alone

He's callin' all the people, to take their turn
And and fall into the pit and eternally burn
Down, down, don't , don't go down
Down, down, down, down

Well Lucifer's caught on the railroad track
He's howlin' at the moon 'cause he can't come back
In the evenin' while we're sittin' there in front of the fire
We laugh at old Lucifer before we retire

Don't go down to the quarry in the middle of the night
'Cause you'll never come back, you'll never be right
We lost Maggie there just last spring
And Big Ben Johnson, he couldn't do a thing

Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Down, down, down, down

Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Down, down, down, down, down

Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Don't go down to the quarry, don't, don't go down
Down, down, down, down, down
