So hurry, sundown, be on your way
And hurry me a sun-up from this beat-up sundown day
Hurry down, sundown, be on your way

I'm off my knees now, I'm standing proud
So hurry, sundown, be on your way
And hurry me a sun-up from this beat-up sundown day
Hurry down, sundown, be on your way
Weave me tomorrow

My sorrow's song, now, just must break through
That brave new dawn, now, long overdue
So hurry, sundown, be on your way
And hurry me a sun-up from this beat-up sundown day
Hurry down, sundown, be on your way
Weave me tomorrow

Hurry down, sundown, get thee be gone
Get lost in the sunrise of a new dawn
Hurry down, sundown, take the old day
Wrap it in new dreams, send it my way
Send it my way, send it my way, send it my way
