Oh, had I a golden thread and needle so fine  
I'd weave a tapestry of rainbow design, of rainbow  
design  
Far over the water, I'd weave my magic strand  
To every city, through every single land, through every  
land

And in it, I would weave the bravery of women giving  
birth  
In it, I would weave the innocence of children over all  
the earth  
Children of all earth, show my brothers and my sisters  
My rainbow design and bind up this sorry world  
With hand and heart and mind, hand and heart and  
mind

Oh, had I a golden thread and needle so fine  
I'd weave a tapestry of rainbow design, of rainbow  
design
