I'm goin' down that highway, goin' to another town.  
Baby when I find what I'm looking for, well then maybe  
I'll settle down.

Why don't you help me brother, I'm a stranger in your  
town  
Why don't you help me sister, and then maybe I'll settle  
down.  
Why don't you help me brother, I'm a stranger in your  
town  
Why don't you help me sister, and then maybe I'll settle  
down.

I worked my way from boston to that san francisco bay  
Baby what I was looking for, I couldn't find along the  
way.

Why don't you help me brother, I'm a stranger in your  
town  
Why don't you help me sister, and then maybe I'll settle  
down.  
Why don't you help me brother, I'm a stranger in your  
town  
Why don't you help me sister, and then maybe I'll settle  
down.

Never been contented no matter where I roam  
It ain't no fun to see a settin' sun when you're far away  
from home.

Why don't you help me brother, I'm a stranger in your  
town  
Why don't you help me sister, and then maybe I'll settle  
down.  
Why don't you help me brother, I'm a stranger in your  
town  
Why don't you help me sister, and then maybe I'll settle  
down.

I've worked in the mills of pittsburgh, in the hills of  
tennessee,  
Baby all I want is to find a job that will set my mind at

ease.

Why don't you help me brother, I'm a stranger in your town

Why don't you help me sister, and then maybe I'll settle down.

Why don't you help me brother, I'm a stranger in your town

Why don't you help me sister, and then maybe I'll settle down.

Why don't you help me brother, I'm a stranger in your town

Why don't you help me sister, and then maybe I'll settle down.

Why don't you help me brother, I'm a stranger in your town

Why don't you help me sister, and then maybe I'll settle down.
