First of all

I would like to say a word or two
I know you won't be thinking this applies to you
But it's true and it do

All your life

You have had to sing your song alone
Not believing anybody could have known
But it's wrong and you know

I've found a song let me sing it with you
Let me say it now while the meaning is new
But wouldn't it be good if we could say it together

Don't be afraid to sing me your mind
Sing about the joy that I know we can find
Wind them around and see what they sound like
together

The song is love, the song is love
The song is love, the song is love

Last of all

I would like to thank you for the word or two
Spoken in the moments when I needed you
To see me through and they do

I've found a song let me sing it with you
Let me say it now while the meaning is new
But wouldn't it be good if we could say it together

Don't be afraid to sing me your mind
Sing about the joy that I know we can find
Wind them around and see what they sound like
together

The song is love, the song is love
The song is love, the song is love
The song is love, the song is love
The song is love, the song is love
