Even her eyes live
and I after all
And every time we moved
We could've cached it though we thought
Things would just fall into place
Can you see it,
Tell me that you see that open your eyes
I have not been this wrong
Though I knew it for quite some time.

And Oh,
I see a red glow forming
Where are you? Come,
Consume me, quickly
We have no more patience, fuck that
Not like that, not like that.

Listen my darling, this could get startling
Even her eyes glow short, for a reason I have thought
And every line we fought couldn't save us, though we
thought
One of these days it will end, can you see it
Tell me that you see that, open your eyes.
I have not been this wrong
Though I knew it for quite some time.

And Oh,
I see a red glow forming
Where are you? Come,
Consume me, quickly
We have no more patience, fuck that
Not like that, not like that

Oh,
I see a red dog forming
Why wont he come,
consume me, quickly
We have no more patience, fuck that
Not like that, not like that.

Not like that, not like that.

Listen my darling this one is starting, now.
