Well, that last train done left town  
That last train done left town  
I heard the whistle moaning low  
But that last train done gone down

My sweet baby's on that train  
My sweet baby's on that train  
I wonder if I will see her again  
Oh, that last train done gone down

I heard the whistle moanin' low  
I heard the whistle moanin' low  
I beg and pleaded, please, don't go  
But that last train done gone down

I'm sorry for what I've done  
I'm sorry for what I've done  
Too late good-bye, my baby cried  
Oh, that last train done left town

Well, that last train done left town  
That last train done left town  
I heard that whistle moanin' low  
But that last train done gone down
