You think I'd leave your side baby?
You know me better than that
You think I'd leave down when your down on your
knees?
I wouldn't do that

I'll do you right when your wrong
lohhh, ohhh

If only you could see into me

Oh, when your cold
I'll be there to hold you tight to me
When your on the outside baby and you can't get in
I will show you, your so much better than you know
When your lost, when your alone and you can't get
back
Again
I will find you darling I'll bring you home

If you want to cry
I am here to dry your eyes
And in no time you'll be fine

You think I'd leave your side baby
You know me better than that
You think I'd leave you down when your down on your
Kness
I wouldn't do that

I'll do you right when your wrong
I I, ohhhh, ohhh

If only you could see into me

Oh when your cold
I'll be there
To hold you tight to me
Oh when your alone
I'll be there by your side baby
Repeat 1x
