Maybe we could make it all right  
We could make it better sometime  
Maybe we could make it happen baby  
We could keep trying  
But things will never change  
So I don't look back  
Still I'm dying with every step I take  
But I don't look back  
Just a little, little bit better  
Good enough to waste some time  
Tell me would it make you happy baby  
We could keep trying  
But things will never change  
So I don't look back  
Still I'm dying with every step I take

But I don't look back  
We could keep trying  
But things will never change  
So I don't look back  
Still I'm dying with every step I take  
But I don't look back  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
It hurts wÃth every heartbeat
