Every little thing's been said about it
How does it apply to you
Maybe I could learn to live without it
Where do you find
One of a kind
Playing for time
The way you do

Every other day I think about it
Do you remember when
You said we'd never be without it
Where do you find
One of a kind
Playing for time
The way you do

Maybe I'll find love
The way you do
Maybe I'll find love
The way you do
Playing for time love
The way you do
The way you do
The way you do
The way you do

Everybody says I'm mad to doubt it
And I believe it's true
Maybe I should learn to live without it
But, where do you find
One of a kind
Playing for time
The way you do
Maybe I'll find love
The way you do
Maybe I'll find love
The way you do
Or maybe goodbye love
The way you do
The way you do
The way you do

Maybe goodbye
Maybe bye bye
Maybe goodbye
