Twist in the dark
I twist in the dark
Love is on the wing
Concorde
Seems like a groundhog
Your face could
Change everything
With a phone call
Like a maddog
Well it laid me out
When you told me
You'd slept about
And now I

Twist in the dark
I twist in the dark
Mad reasoning
Keeps us separate
Twist in the dark
I twist in the dark
My priorities are paradise

Love is in the air
Those arrows are sharp
And narrow
Your face is in a static state
In a picture that I captured
Well I broke down
When you told me
You'd slept around
And now I

Twist in the dark
I twist in the dark
Mad reasoning
Keeps us separate, baby
And I twist in the dark
I twist in the dark
My priorities are paradise

But it wouldn't mean a thing

If I could only hold you
Right now, right now
Finding the train fare
And the time
But they're very hard
to come by
If I could kick away
The rubbish, if I could kick it all away

I twist in the dark
Twist in the dark
I twist in the dark
I twist in the dark
Twist in the dark
I twist in the dark
Mad reasoning
Keeps us separate, baby
And I twist in the dark
I twist in the dark
My priorities are paradise

Well I broke down
When you told me
You'd slept around
And now I

Twist in the dark
I twist in the dark
Mad reasoning
Keeps us separate, baby
Twisting in the dark
Just means nothing
