How can I be sure
That you won't walk away?
Oh, angel of deception
Let me live this way
Oh how can I be sure
the safety of your arms
Doesn't suffocate me?
With all that they do, huh?
Well how can I be sure?

Don't give out on me
My hope, my apathy
You know, it ain't easy
Maintaining my believe
That we are free

I'll stay with thought familiar
I need alibi
That I don't know better
Until death within the lie

How can I be sure
That you won't walk away?
Oh, angel of deception
Let me live this way
Oh how can I be sure
the safety of your arms
Doesn't suffocate me
With all that they do, huh?
Well how can I be sure?

I'll stay with thought familiar
I need alibi
That I don't know better
Until death within the lie
How can I be sure?
We are free.
