Do, do, do what you wanna
 Do, do, do what you wanna
 Do, do, do what you wanna
 Do, do, do what you wanna

I'm a joker,
 I'm a rocker,
 Hold me baby, love me baby, forever, ever, ever
 I'm shocker,
 I'm a poker.
 Got no fear, got no tear baby,
 Never and never.

I'm a talker,
 And straight-walker,
 I'm a broker,
 Evil-blocker.
 Got no fear, got no tear baby,
 Never and never.

I'm a slaker,
 Trouble-breaker.
 Fortune-maker,
 Care-taker.
 I'm a just a womanizer.
 Let me be your supervisor.

I'm a joker,
 I'm a rocker,
 I'm shocker,
 I'm a poker.
 Got no fear, got no tear baby,
 never, never, never, never, never

I'm a talker
 And straight-walker,
 I'm a broker,

Evil-blocker.
Got no fear, got no tear baby
Never, never.

Don't let me go
Or my dreams could tumble down, baby.
Never, never, baby.
No, no hesitation!
No, no fluctuation!

Shake your body up
And do the dance honey.
Shake your body up,
Ain't got no funny.
I wanna fly...
Oooo..
Ooooooo, baby

I'm a joker,
I'm a rocker,
I'm shocker,
I'm a poker.
Hold me baby, love me baby, forever and ever

Don't let me go
Or my dreams could tumble down baby,
Never and never.
Forever and ever!
