Gotta big mouth, your talking shit.
But you don't know you're saying it.
You're talking shit, all day long.
And all you say is always wrong.

You've got a big mouth

Got no friends and I'm not suprised.
Because you tell so many lies.
No-one listens to what you say.
'Cos it's all bullshit anyway.

You've got a big mouth
You're voice stands out, in the crowd.
'Cos you are, so fucking loud.
You cheat and lie, all day long.
What you need, is a fucking gag.

You've got a big mouth so keep it shut !
