Fun ... love ... and money ...

Don't want to sit on the sideline and stare at the  
skyline, just wanna' be free.  
Need to, make a few headlines, just looking for good  
times, just wanna' be me.

If you're in confusion, here's a solution ..  
Fun, Love and Money.  
You don't get the answers, if you don't take chances ..  
Fun, Love and Money.  
F.L.M.  
So tired of watching the world go by, seeing the time  
fly, running away.  
Sometimes, I can fly so high, I can see blue skies,  
where others see grey.

Get pissed at the weekend, we're throwing up ..
