I was down the local disco getting' off with this girl.,  
things were going really good, going really well.  
We was alone in a corner kissing and then I heard, this  
bloke come up behind me and say ..  
" Oi, that's my fucking bird!! "

Down the local disco eyeing-up some skirt, she was  
giving-it all that, god she was a flirt.  
She came up to me and said: "Do you wanna dance ?"  
Well I thought this is it I'm in here with a chance.

Then this bloody great big geezer said, " 'ere mate  
that's my girl"  
Well I didn't want no trouble, so I run like bloody hell.

Run like hell, run like hell.  
Alone at a party pissed out of me head, well I don't  
know how I get there but I ended up in bed.  
When I woke up in the morning I was alone no more,  
but as I was getting dressed her boyfriend came in thru  
the door.
