Fuck my dad  
Fuck my mom  
shag my sister, in the bum  
Fuck the dog,  
fuck the cat  
And turn around and fuck me back.

on Talk show  
on the talk show  
tell the world, on the talk show.

im straight  
im gay  
im swing, both ways  
im a purse, im a bloke  
Im both.  
IM a joke

on talk show  
on the talk show  
tell the world, on the talk show

to fat  
to thin  
just dont fit in  
im mad  
im sane  
let me out, to kill agian

on talk show  
on the talk show  
tell the world, on the talk show  
on talk show  
on the talk show  
tell the world, on the talk show
