Here we are with goodbye in our eyes, we're running
out of reasons to try.
The leaves of change have fallen down with both of us
wondering why.
We're all alone but still it seems, we're thousands of
miles apart.
The sands of time have shifted now, the end is
beginning to start.

And I don't know the answers, 'cos I don't know the
questions, i'm just trying,
'cos I don't even know who's leaving who, is it me (is it
me ?), is it you ?
Can you tell me who's leaving who ?
Do you think we could change if we knew ?

Talk to me, is there a chance of working this out heart
to heart ?
Can be go beyond our angry eyes before everything
else falls apart ?
We're all alone but still it seems, we're thousands of
miles apart.
The sands of time have shifted now, and the end is
beginning to start.

Tell me who's leaving who ?
Is there anything left we can do ?
