It's All Greek To Me! Lyrics Letras

It's all Greek to me
And I just can't see
Why you want to beâ€¦. Without me
I'm your favourite prey
Love me night & day

Cause I want to be
All you ever need
Someone to believe
Close your eyes and see
I got no Plan B
There's so much to feel
Baby, you run through my veins

(Chorus) Guiltyâ€¦.. cause I love you
Give meâ€¦.. back your lovin'
Show meâ€¦. Some emotion
Babyâ€¦..It's all Greek to me now!
Guiltyâ€¦. Cause I want you
Crazyâ€¦.. in my heart now
Give meâ€¦.your devotion / affection
Baby, Baby, it's all Greek to me now!

Pop- Psychology
Doesn't work with me
I can't understandâ€¦.your lovin'
You're my second skin
I'm your favourite sin

Cause I want to be
All you ever need
Someone to believe
Close your eyes and see
I got no Plan B
There's so much to feel
Baby, you run through my veins
