I know you want me to be that type of dude  
And I want to be who you'd like me to  
But we both know, I can't do nothin' at all  
You say there's no use in walkin' out  
And I say there's just what I'm talkin' 'bout  
'Cause we both know I can't do nothin' at all

We do our thing, son  
Some will spend a lifetime trying to find a reason  
We do our thing, son  
War takes prisoners and I aint trynna be one  
We do our thing  
No apologies, no complaints and no refunds  
It's mad work to be done

They may say I'm just a dreamer  
Well at least I'm thinkin' while I'm sleepin'  
'Cause the last thing I can do is nothin' at all  
They may say we'll never win against 'em  
I say fuck you and your cynicism  
As for me, I can't do nothin' at all

My past plagued by a plethora of regrets  
In my agonist age I'm a questioner of precepts  
If we left the staff in place to blaze the path then,  
Uh  
The shackles stay and bind the sequitur to each step  
The chain, boss, be an irritant to contact  
I'm trained not to be a militant of combat  
Upon that, frame the shot - pop and aim  
Sayin' the game's soft be the will of him who want that  
"YO" said to be the idiom of paltry  
Yeah, the broke fed upon the brilliance of bawdry  
Lauded be, see folks spread - ahead go now  
The quote read by the billions, so pardon me  
The tag "sham" is but a negligent critique  
While some had a chance others fester in the disease  
The kid needs to pack the jam, man I get at y'all  
Goddamn he's pressin' it, best believe

You can call me anything you'd like  
And I will call you when it's time to strike

'Cause we both know I can't do nothin' at all  
We may not be in agreement now  
But we have got to try and work it out  
'Cause we both know we can't do nothin' at all

We do our thing, son  
Long as you do yours, land here become fecund  
We do our thing, son  
Through the act we attract two, hope to reach one  
We do our thing  
Some'll paint a piece, some'll spray with a machine gun  
It's mad work to be done
