Girl I can feel a tremor through my body
Inside my heart is speeding, beating faster
I'm running out of time
I see you're leaving
Ah-oooh what a feeling
Ah-oooh what a feeling

I stumble fall and nearly start a fire
I act a fool I merely, bearly make it
I take your hand and now my body's shaking
Ah-oooh what a feeling
Ah-oooh

REF.

Baby don't go-oooh oh
You got me begging, begging
Got me begging for more
I won't let go-oooh oh
You got me begging, begging
Got me begging for more

Ah-oooh what a feeling
Ah-oooh what a feeling
You got me begging, baby
Got me begging for more
Ah-oooh what a feeling
Ah-oooh what a feeling
You got me begging, baby
Got me begging for more

I'm on my knees and ready for your answer
You got me falling, calling out your name
I can't control the way my body's moving
Ah-oooh what a feeling
Ah-oooh

Baby don't go-oooh oh
You got me begging, begging
Got me begging for more
I won't let go-oooh oh
You got me begging, begging
Got me begging for more

Ah-oooh what a feeling
Ah-oooh what a feeling

You got me begging, baby
Got me begging for more
Ah-oooh what a feeling
Ah-oooh what a feeling
You got me begging, baby
Got me begging for more

No doubt about it, you're the one for me
No doubt about it, breaking up is crazy
I feel my body wants your body now
I'm gonna make you stay somehow

Ey, eh yeah
Ah-oooh what a feeling
Ah-oooh what a feeling

Baby don't go-oooh oh
You got me begging, begging
Got me begging for more
I won't let go-oooh oh
You got me begging, begging
Got me begging for more

Ah-oooh what a feeling
Ah-oooh what a feeling
You got me begging, baby
Got me begging for more
Ah-oooh what a feeling
Ah-oooh what a feeling
You got me begging, baby
Got me begging for more
