Everyone is cryin' out for peace (Yes)  
None is cryin' out for justice  
Everyone is cryin' out for peace  
None is cryin' out for Justice

I don't want no peace  
I need equal rights and Justice\*3  
Got to get it  
Equal rights and Justice

Everybody wants to go to heaven  
Nobody wants to die ( for the rest of Jesus)  
Everybody want to go up to heaven but none of them,  
none of them want to die  
I don't want no peace  
I am in need of equal rights and Justice  
I have got to get it  
Equal rights and Justice  
I really need it  
Equal rights and Justice  
Just give my share  
Equal rights and Justice

What is due to Ceasar, u better give it all to Ceasar,  
and  
What belong to I, u better, u better give it up

Cos I don't want no peace  
I need equal rights and Justice\*2  
I have got to get get it  
Equal rights and Justice  
I am fighting for it  
Equal rights and Justice

Everyone is heading for the top  
They don't know how far it is from the bottom  
Nobody knows but Everbody is fighting to reach to the  
top  
How far is it from the bottom  
I don't want no peace  
I need equal rights and Justice\*2  
I've got to get it

Equal rights and Justice  
I really need it, equal right and Justice

Everyone is talking about crime then,  
Who are the criminals  
I said everybody is talking about crime, crime  
Tell me who are the criminals  
I really don't see  
I don't want no peace,  
I need equal rights and Justice\*2  
I've got to get it  
I don't want no peace  
Equal right and justice

Everyone is fighting for  
Equal rights and Justice  
Palestine is fighting for  
Equal rights and Justice  
Down in Angola  
Equal rights and Justice  
Down in Botswana  
Equal rights and Justice  
Down in Zimbabwe  
Equal rights and Justice  
Down in Rhodesia
