Little darlin'  
It's been a long, long, lonely winter  
Little darlin'  
It seems like years since it's been here

Here comes the sun, here comes the sun  
And I say it's alright

Little darlin'  
The smiles are returning to their places  
Little darlin'  
It seems like years since they been there

But here comes the sun, here comes the sun  
And I say it's alright

Little darlin'  
I see the ice is slowly melting  
Little darlin'  
It seems like years since they been there

But here comes the sun, there goes the snow  
And I say it's alright, it's alright

I see the ice is slowly melting  
Little darlin'  
It seems like years since they been there

Here comes the sun, there goes the snow  
And I say it's alright, it's alright

Little darlin'  
The smiles are returning to their places  
Little darlin'  
It seems like years since they been there

Here comes the sun, I say, here comes the sun  
And I say it's alright, it's alright

Little darlin', little darlin'
