This devaluation  
(Pound get a blow)  
It cause an eruption  
(The pound get a blow)

Oh, what a destruction  
(The pound get a blow)  
Prepare for starvation  
(The pound get a blow)

Cost of living get high  
I said the pound get low

Remember I told you  
You gonna bend down low

[Unverified] the holy fire comes  
You must get a blow

[Unverified] the holy fire comes  
You must get a blow

Why should I care when it's not my care  
(It's not my care)  
Why be unfair to steal my share?  
(Steal my share)

Talk about you rocking steady  
(Pound get a blow)  
(Pound get a blow)

There shall be weeping and wailing  
(Pound get a blow)  
There shall be weeping and wailing  
(Pound get a blow)

Pound get a blow  
Pound get a blow  
Pound get a blow  
Pound get a blow

This devaluation

(Pound get a blow)  
It gonna cause an eruption  
(The pound get a blow)

Oh, what a destruction  
(The pound get a blow)  
So prepare for starvation  
(The pound get a blow)
