Talkin' 'bout war  
And rumors of war  
Talkin' 'bout the coming of Jah  
The time is not far

Oh my majesty  
Please rescue me-e-e  
Oh my majesty  
Can't you rescue me-e-e

Wars  
Rumors of war  
Talkin' 'bout the coming of my father  
The time is not far

God when I reach home  
How happy I'll be  
Knowing I am home  
Where I am free

Talkin' 'bout war  
And rumors of war  
Talkin' 'bout the coming of the Negus  
The time is not far

Oh my(3x) majesty  
Can't you rescue me

When I look upon creation

All I see is man's abomination  
Causing combination  
Amongst the younger generation

War  
Rumors of war  
Talkin' 'bout the coming of Jah Jah  
The time is not far

When I reach that place  
Gonna be happy and free

Knowing I'm in that land  
And I've got my liberty

And I see war in a Beirut  
War in a...  
Lebanon  
Syria, yeah  
Pakistan  
Namibia  
Soweto  
Johannesburg  
South Africa

Make sure your hands and heart are clean  
So you can rally around the red, gold and green
