Live clean
Let your works be seen
Stand firm
Or you gonna feed worm
(CHORUS)
One baldhead tell me say
This here baldhead tell me say
Put one me clothes and come with him
And mek we go to church Sunday
Soul seekers I say
Jacket and tie come tell me say
Clean clothes come tell me say
If me come with him
And go to church this Sunday
Soul seekers I say
CHORUS
Dis here one come tell I say
Another one come tell I say
If you want to be saved son
Got to go in a grave son
Pack of bullshit
That is bullshit I say
The other one come tell I say
If you want to be in the light son
You've got to love Jesus Christ son
That is fantasy
Whole pack of ignorance I say
CHORUS
Then the parson tell I say
If I want to be pure within
I've got to come confess my sins
Another pirate I say
CHORUS
Dis here one come tell I say
Do you think it is wised
That I should get baptized
But when I realized
It was the devil in disguise
Dis here one come tell I say
Another one come tell I say
To be in the light

Got to take Jesus Christ
You're talkin' like gladness
But that is madness I say
CHORUS
