[Hook]

I ride on my enemies, I ride on my enemies
Don't know who they think they testing
With my 50 I rep my section,
Man I rarely play the weapons, tell them
I ride on my enemies, I ride on my enemies
And I whip that coupe so reckless
And your bitch all up my necklace
Have you staring, looking jealous

But fuck it homie I'm on it
Smoking kush by the zoning
Me and my niggas on it
Never talk over phonsing
All of our necks are frozen
All my niggas chosen
All my niggas hustle,
Really be holding chromie
Your bitch she be on that shit
Cause you steady hate on her click
She tell you the niggas' real
You tell her get off our dick
Nigga she do the opposite
Come and hop on my dick
She tired to fuck with yo
Cause this as real as it get
Never fight over chick, like bullies fight over bricks
Deep in this hustle shit, and that ain't real as it gets
You seen my checks on it and I'm clean
It's just me and my team
We pouring off of that cream
And if... only one thing...

[Hook]

I ride on my enemies, I ride on my enemies
Don't know who they think they testing
With my 50 I rep my section,
Man I rarely play the weapons, tell them
I ride on my enemies, I ride on my enemies
And I whip that coupe so reckless
And your bitch all up my necklace
Have you staring, looking jealous

Better tell them

Take them back to them bands
Still million couple course
And ride around with they k
Enemies say they horny, bout make them live through
that day
Smoking that... for hopping out of that plane
Turn your day into night, think nigga got pray
Cause always always persistent... making them plays
Thugging fucking with killas
Hustle under... and money, hoes, we the realest
If you real, you gonna feel this
Fresh about to steal it,
Came in the game villain, and fuck if I made a million
I got it, I gotta get it, stack it up for my cheering
No molly nigga living,
In 14 get him a Bentley
Hopping out with my philly, these niggas they cannot
see me
These niggas they wanna be me
These niggas cannot compete
These niggas they know I'm street
These niggas they really suckers
They niggas ain't really shit
They never fuck with a G

And your bitch all up my necklace
Have you staring, looking jealous
Better tell them

Nah, and I hop out with that thang
Coming for... fame
Homie I was... never switched up
Everybody know me, and they know its' truth
Never trust a bitch...
Nigga balling out just having fun
Had the Lamborghini... with the windows down
And I've been the shit, and I'm bout that
Got a couple niggas in the project
That's known for whipping that pyrex...

[Hook]
