i've been gone away from home for too long
and it's drivin' me crazy
'cause i'm missin my baby
i call her on the phone every day
just to say
even though we're apart
baby you're always in my heart
i can't wait to see my baby
smilin' right at me
i just wanna kiss her
ooo, i really miss her
and everything will be fine with me
once i get to see
my baby baby at christmas time

i just can't wait to spend
christmas with my baby
just seeing you again
holding you so gently
we're playing in the snow
just havin' a great day
i wanna be with you for christmas

now that christmas time is here
filled with cheer
my heart is beating so fast
i don't know if i can last
excitement's building up in me
i'm shaking
i've got a present for you
and girl you'll get it soon

i can't wait to see
my baby smiling right at me
i just wanna kiss her
ooo, i really miss her
and everything will be fine with me
once i get to see
my baby baby at christmas time

and i just can't wait to spend
christmas with my baby

just seein' you again
holding you so gently
sittin' by the fireplace

just havin' a great day
i wanna be with you for christmas

i just can't wait to spend
christmas with my baby
with you in my arms again
holding you so gently
let's decorate the christmas tree
just havin' a great day
i wanna be with you for christmas

i just can't wait to spend
just seeing you again
we're playing in the snow
i wanna be with you for christmas

i just can't wait to spend
christmas with my baby
just seeing you again
holding you so gently
we're playing in the snow
just havin' a great day
i wanna be with you for christmas...

i just can't wait to spend
christmas with my baby
kissing under mistletoe
christmas with my baby
playing in the snow
christmas with my baby
i wanna be with you for christmas

i want to be with you baby
christmas with my baby
playin in the snow
christmas with my baby
kissing under mistletoe
christmas with my baby
i wanna be with you for christmas

christmas, christmas
christmas with my baby
christmas, holding you so gently
playin' in the snow
just havin' a great day
i wanna be with you for christmas
