Just got done workin'  
On my way home and sittin' on the 405  
Friday night it's the weekend all day thinkin'  
What I'm gonna do tonight  
I called my boys to see if they  
Wanna a go and chill tonight  
Now it's on so we're to the spot  
Where the music's cool and the girls are hot  
It's Friday night I'm feeling good  
I cashed my paycheck and I should  
Go and spread myself around  
Find a girl and get on down  
Everybody's dancin' on the floor  
Either by themselves or with someone  
I know you didn't come to stand around  
So if you want to groove then let's get down  
Everybody's feelin' good tonight  
The girls in the place are just so fine  
I know you didn't come to stand around  
So if you want to groove then let's get  
Down down down down X2  
Chillin' on the dance floor, getting my groove on  
Floatin' on a natural high, White, Black, Puerto Rican,  
Everybody's feelin', Just so good tonight  
My girl is fly she knows I like  
That way she's dancin' with me tonight  
I'm feelin' like the man now,  
I don't really care if we dance all night  
So don't be shy nobody cares  
Throw your hands up in the air  
Fella's don't just stand around  
Find a girl and get on down  
Chorus

If it's been awhile since you had a real good time  
The feelin's good and everything's alright  
So if you want to groove  
Then let your body move  
Cause this party's goin' till the break of dawn  
Get into the groove and let's get down  
Breakdown

Chorus (out)
