Heaven sent an angel to me
I'm in paradise when I look in her eyes
Had a time when my heart couldn't see
Thank God heaven sent an angel to me

I used to pray for heaven to send me a love
Cause heaven knows a lonely man can't get enough
Each night and day I search my soul ask God above
But I still come home all alone by myself

In a world where the rain could last forever
My heart was crying for sun
After all of the times I said I'll never
That's when my angel came along

Heaven sent an angel to me
I'm in paradise when I look in her eyes
Had a time when my heart couldn't see
Thank God heaven sent an angel to me

I used to wonder what it'd be like to touch the sky
Someone to love me and wipe away these tears I cried
Held up my hands and hoped one day my heart would
fly
But I didn't know God was listening to me

In a world where pain could last forever
My heart was crying for love
After all of the times I've said I'll never
That's when my angel came from above
Heaven sent an angel to me
I'm in paradise when I look in her eyes
Had a time when my heart couldn't see
Thank God heaven sent an angel to me

With every moment and every smile she brings
I wanna love her give her my everything
I'm on my knees thanking God up above
Just how good it feels to be loved

Heaven sent an angel to me
I'm in paradise when I look in her eyes

Had a time when my heart couldn't see
Thank God heaven sent an angel to me

Heaven sent an angel to me
I'm in paradise when I look in her eyes
Had a time when my heart couldn't see
Thank God heaven sent an angel to me

Heaven sent an angel to me
Heaven sent an angel to me
Heaven sent an angel to me
Oh.. to me
