Oooooooooo...

Wha-ah-oh...

Everybody needs a little time away  
I heard her say  
from each other  
Even love is even a harder day  
But now we're away, from each other...

Hold me now  
It's hard for me to say I'm sorry  
I just want you to stay (stay with me)

(Ahh-oooo)

And after all that you've been through  
I will make it up to you  
I promise you  
And after all that's been said and done  
You're just apart of me I can't let go

Ooooooooo....

Ba-ba-ba-ba-ba...

Couldn't sending me be kept away?  
not for a day  
from your body  
(can't stop thinking about you??, not even a day)  
Wouldn't want to be swept away (away)  
far away  
(from the one that I love)

Hold me now  
It's hard for me to say I'm sorry  
I just want you to know (you to know)  
Hold me now  
I really want to tell you I'm sorry  
Ohhh...  
I could never let you go

Ahhhhh.....

And after all that we've been through  
I will make it up to you  
I promise you  
And after all that's been said and done  
You're just apart of me I can't let go

Oooooooo.....

I can't let go.....
