When I'm lost in the rain  
In your eyes I know I'll find the light to light my way  
And when I'm scared of losing ground  
When my world is going crazy, you can turn it all  
around

And when I'm down you're there  
Pushing me to the top, girl  
You're always there  
Giving me all you've got

For a shield, from the storm  
For a friend, for a love to keep me safe and warm  
I turn to you for the strength to be strong  
For the will to carry on or everything I do  
For everything that's true, I turn to you

When I lose the will to win  
I just reach for you and I can reach the sky again  
I can do anything  
'Cause your love is so amazing

'Cause your love inspires me  
(Yes, it does)  
And when I need a friend, you're always on my side  
Giving me faith, taking me through the night

For a shield, from the storm  
For a friend, for a love to keep me safe and warm  
I turn to you for the strength to be strong  
For the will to carry on or everything I do  
For everything that's true, I turn to you

For the arms to be my shelter through all the rain  
For truth that will never change  
For someone to lean on  
For the heart I can rely on through anything  
For that one who I can run to

For a shield, from the storm  
For a friend, for a love to keep me safe and warm  
I turn to you for the strength to be strong

For the will to carry on or everything I do  
For everything that's true, I turn to you
