Oceans apart day after day, and I slowly go insane. I  
hear your voice on the line, but it doesn't stop the pain.  
If I see you next to never, how can we say forever.

[chorus]

Where ever you go, whatever you do, I will be right  
here waiting for you. Whatever it takes or how my heart  
breaks, i will be right here waiting for you.

I took for granted, all the times, that I thought would  
last somehow. I hear the laughter, I tast the tears, but I  
can't get near you now. Oh, can't you see it baby, you  
got me going crazy.

[chorus]

where ever you go, whatever you do, I will be right here  
waiting for you. Whatever it takes or how my heart  
breaks, I will be right here waiting for you.

I wonder how we can survive this romance. But in the  
end if i'm with you, i'll take the chance.

[chorus] Where ever you go, whatever you do, I will be  
right here waiting for you. Whatever it takes or how my  
heart breaks, i will be right here waiting for you.

Oh, can't you see it baby, you got me going crazy.

[chorus]

where ever you go, whatever you do, I will be right here  
waiting for you. Whatever it takes or how my heart  
breaks, I will be right here waiting for you.

Waiting for you.
