Ooo girl I'd walk a hundred miles
To see your pretty face each time you smile
There is no distance from me ãfÂçâ,¬" as long as I
can believe
I'll see you tonight
Simply no distance from me ãfÂçâ,¬" Girl you gotta
believe
I need you tonight
I'll never forget - the first time I set
My eyes on you I thought I would die
You were my lovely day ãfÂçâ,¬" took my breath away
Now I'm walking with my head to the sky
You are the most beautiful girl ãfÂçâ,¬" I've ever seen
in this world
You came in my life just in time
You are the most beautiful girl ãfÂçâ,¬" I've just got to
tell the world
She's all mine
I just can't find the words to say
This kind of feeling don't come every day
It feels like heaven to me ãfÂçâ,¬" love has given me
wings
Girl you light up my life
You feel like heaven to me ãfÂçâ,¬" every day's like a
dream
Having you by my side
I'll never forget - the first time I set
My eyes on you I thought I would cry
It was my lucky day ãfÂçâ,¬" when you came my way
And I'm still walking with my head to the sky
Chorus

Oh girl
The sun and the moon ãfÂçâ,¬" the stars in the skies
They don't shine as bright as the light in your eyes
And it brightens my day ãfÂçâ,¬" when I realize
In just a few hours I'll be holding you tight
Chorus- Out
