Sittin' here starin' at the wall
Another lonely tear falls
I'm tryin' to write you this song
But I can hardly see the page at all
'Cause it's breaking my heart
When I look in your eyes
And I don't see me anymore
Oh, and you're all I'm living for
Baby, tell me that you still believe
That you still love me
The way I love you
If you take your love away from me
You know I would die
'Cause I'm not ready for goodbye (Oh...oh...oh...)
Baby, please pick up the phone
Tell me I'm crazy, I got it all wrong
I don't know what I'm gonna do
I don't know how to live without you
You are the first song
My heart ever heard
And baby, I-I believed every word
You are my heart, my soul, my world
Baby, tell me that you still believe {Still believe}
That you still love me {That you still love me, baby}
The way I love you {The way I love you}
If you take your love away from me {Away from me}
You know I would die {I would die}
'Cause I'm not ready for goodbye {Goodbye}
Every breath that I take, every beat of my heart
You know it's all for you
I wanna hold you, I wanna love you
Forever and always
Baby, tell me that you still believe {Tell me}
That you still love me {That you still love me, baby}
The way I love you {The way I love you}
If you take your love away from me {Oh...oh...oh...}
You know I would die {Oh...}
'Cause I'm not ready for {Goodbye}
Baby, tell me that you still believe (Tell me)
That you still love me (That you still love me)
The way I love you {The way I love you}
If you take your love away from me (If you take your

love away)
I know I would die (I know I would die)
'Cause I'm not ready for goodbye, goodbye, goodbye,
goodbye
