Love is blind, some may say
But I saw clearly on that day
A perfect picture a perfect view
A perfect person a perfect you
And yesterday becomes today
And tomorrow becomes forever
The beauty of you remains engraved
In my heart and mind forever
The Perfect Love
Yesterday I had the sweetest dream
I dreamt an angel came to visit me
She taught me how to live and how to trust
Showed me the meaning of being in love
She placed her footprints across the sky
This angel took my breath away
Like a kid on Christmas day
To my surprise my angel is you
I can't believe this dream came true
I found a perfect love
I've searched so far and wide for you
An angel from above
I can't believe this dream came true
Her voice is like a song in my heart
I play it every time that we're apart
She soothes my body with just one touch
I know that's why I really love her so much
She stole my heart with just one kiss
And made me fall so deep in love
Just can't seem to get enough
To my surprise the angel is you
I can't believe this dream came true
Chorus

The more I see you the more I love you
The more I think of you the more I want to be with you
Quero che me ami con tutto il tuo cuore
(I want you to give your heart to me)
Ti daro quello che vuoi
(I shall give you what you want)
Quero che sempre sara con me
(I want you to spend eternity with me)
Ti amo per sempre

(I want to love you forever)
I can't stop saying that I love you
Je t'aime ouci mon cher
(I love you also my darling)
Chorus (out)
